Work Experience

SQL Developer- SQL Developer in Myungsung Christian Medical Center (MCM)

July, 2011 to November, 2018

- Utilize join and sub queries to simplify complex queries involving multiple tables while optimizing procedures and triggers to be used in production
- Performed SQL, PL/SQL and application tuning using multiple tools like EXPLAIN PLAN, SQL*TRACE, TKPROF and AUTOTRACE
- Wrote SQL queries to obtain data from multiple tables to spool into CSV format and provide extract to business and users

SQL Server Database Administrator Ethiopian Airlines Inc. – Addis Ababa,

October, 2008 to July, 2011

- System and Application diagnosis using IDERA, SolarWinds and Paessler diagnostics tools
- Create and manage Indexes (Cluster/Non-Cluster) and Constraints (Unique/Check)
- SQL/T-SQL queries, Stored-Procedures, functions, and Triggers
- Configured and Maintained Fail-Over Clustering using SQL Server 2012/2014, 2008 and 2005
- Configured and Maintained Replications, Log Shipping, Mirroring and HA.
- Performed database and SQL/TSQL Performance Tuning
- Create, administered and maintained SQL server database on Production, Test and Staging for various groups and ensure availability the database servers.
- Upgraded SQL server with latest service packs to address security and other related issues.
- Setup Jobs, Maintenance plans for rebuilding indexes, checking server health, alert and notifications

Skills

Programming Languages

- Java
- JavaScript
- HTML|CSS
- TypeScript

Databases

- MS-SQL
- My-SQL

Frameworks

- Angular JS
- IntelliJ

Tools

- IDERA,
- SolarWinds
- Paessler

Project Experience

Build Relational Database Modeling to

- Construct tables
- Write T-SQL for tables and their right data types
- Build normalization using Primary Key and Unique Key
- Build relationship among tables using Foreign Key, Composite Key

EDUCATION

- Launch Code, LC101-2021
- Unity University, BA, Software Development - 2008
- Addis Ababa University, MSC, LSCM - 2015
- Microsoft Inc , Certificate 2012 /2014 - 2020
- Coursera.org, AWS – 2020
- Coursera.org, System Administration and IT infrastructure -2020
